Supplies: Pattern, fabric scraps, batting, 2" elastic, 1/2" button, thread
1/4" seam allowances unless otherwise mentioned

Preparation

1. Put fabrics right sides together and cut out pattern to get two pieces. Cut one pattern piece from batting.
2. Place batting piece on top of fabrics (still right sides together and pin.
3. Make a loop out of the elastic and slip between fabric layers on the straight side of your cozy, keeping the raw edges even. Pin.

Assembly

4. Sew around the cozy, back-stitching over the elastic when you get to it, leaving a gap for turning.

Finishing

5. Clip your corners and turn right side out. Push your corners out with a point turner.
6. Fold your cozy so the edges meet and make a mark under the elastic loop for your button.
7. Sew your button on the mark you made.

Enjoy your new cozy!
